Re: Freedom of Information Act Request, 5 U.S.C. § 552.

Dear Region 7 FOIA Officer:

This is a request on behalf of Burnside Environmental Group, LLC, pursuant to the provisions of the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and EPA's implementing regulations at 40 C.F.R. Part 2. This request seeks records relating to the MEW Superfund Site, Cape Girardeau, Missouri. More specifically, please provide the following records:

1. All documents, correspondence, memoranda, reports, e-mails, notes, data or other materials regarding or relating to the review and associated investigations of the U. S. EPA 3rd Five Year Review Report, Missouri Electric Works Site, Cape Girardeau, Missouri, by Greg McCabe, Human Health Risk Assessor; Venessa Madden, Ecological Risk Assessor; Dan Nicoski, Hydrogeologist, Region 7 CERCLA and Enforcement Staff, and Missouri Department of Natural Resources staff. Responsive documents are expected to include, but not be limited to, meeting notes, personal notes, phone logs, e-mails, reports, preliminary assessments, risk analyses, inspection and investigation work plans, draft investigation and inspection reports, drafts of the 3rd Five Year Review Report and memoranda.

Also pursuant to this request, please provide a complete list or index of all records, documents, reports, summaries, or other information or data that are responsive, but that EPA asserts are not available for public review. Please provide a basis or justification for any such denial to access, as required by 40 C.F.R. § 2.113.

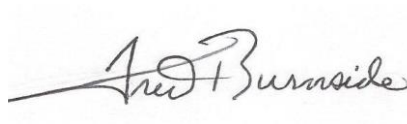

Please advise me of estimated charges prior to processing this request. I can be reached at (479) 754-0373.
